*Press option 1, then option 3

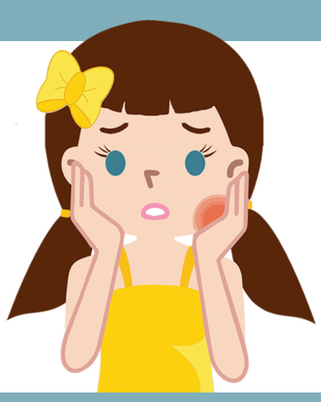
Wesley Chapel Clinic is CLOSED.



Children's Dental Services

DOH-Pasco transitioned all dental services to Premier Community Healthcare on September 8, 2020. These services will be provided at the existing locations previously operated by the health department. To learn more about the services offered by Premier, please visit www.premierhc.org or call 352-518-2000 or 727-645-4185.

WIC Services

WIC is accepting new clients. Services will be provided to clients over the phone or through email whenever possible. When necessary, staff are providing services to clients in their cars in the clinic parking lot. The clinics are open normal business hours, and the call center is available to provide information and schedule appointments on Friday afternoons when the clinics are closed.

Appointments and Questions: (877) 942-2329
Breastfeeding Assistance: (813) 364-5818

Environmental Health Services

Environmental Health (EH) is providing all regular services; however, services for hospitals, nursing homes, and group homes are limited to minimize exposure to clients and staff. EH staff are conducting routine inspections for facilities that are still allowed to be opened and/or haven't voluntarily temporarily closed their business.
