

## ATTENTION HEALTH DEPARTMENT DENTAL PATIENTS

The Pasco County Health Department will no longer be providing Dental care services effective September 7, 2020. Pasco County Health Department dental patients should seek dental services from another local dental provider after that date.

For the convenience of Pasco CHD's former clients, beginning September 8, 2020, there will be new providers in our former service centers who will be providing Dental services for both adults and children. The affected sites and the new providers are as follows:

Health Center Name	New Provider
New Port Richey Dental Clinic 10841 Little Road New Port Richey, FL, 34654 Phone: 727-619-0300	Premier Community Healthcare Group, Inc
Cox Elementary Dental Clinic 37615 Martin Luther King Blvd. Dade City, FL 33523	Premier Community Healthcare Group, Inc
Mobile Dental Clinic	Premier Community Healthcare Group, Inc

Your medical record will be available from DOH-Pasco for your appointment when you sign a medical release for the new provider. You may also request your Pasco CHD dental record be provided to another dental provider of your choosing.

Should you choose to not continue services at the locations with the new providers listed above, you should contact the Pasco County Health Department at 727-619-0284, and we will provide you a copy of your records or will assist by providing your records to another doctor that you choose. If you have not contacted the health department with instructions regarding your medical records by September 7<sup>th</sup>, 2020 your original record will be stored by the Health Department and provided on request in accordance with State law.
