Do I need to be a resident of Florida to receive the COVID-19 vaccine?

State Surgeon General Scott Rivkees issued a [Public Health Advisory](#) on Jan. 21, 2021, prioritizing vaccines for residents of the State of Florida or individuals in Florida for the purpose of providing health care services involving direct contact with patients: bit.ly/397vhf3.

To prove residency, an adult resident must provide a copy of his or her valid Florida driver's license or a copy of a valid Florida identification card.

Seasonal residents* may provide a copy of two of the following to show proof of residential address:

1. A deed, mortgage, monthly mortgage statement, mortgage payment booklet or residential rental or lease agreement.
2. One proof of residential address from the seasonal resident's* parent, step-parent or legal guardian, or other person with whom the seasonal resident resides and a statement from the person with whom the seasonal resident* resides, stating that the seasonal resident* does reside with him or her.
3. A utility hookup or work order dated within 60 days prior to registration.
4. A utility bill, not more than two months old.

5. Mail from a financial institution, including checking, savings or investment account statements, not more than two months old.
6. Mail from a federal, state, county or municipal government agency, not more than two months old.

*Seasonal resident means; any person who temporarily resides in this state for a period of at least 31 consecutive days in each calendar year, maintains a temporary residence in this state, returns to the state or jurisdiction of his or her residence at least one time during each calendar year, and is registered to vote or pays income tax in another state or jurisdiction.

Please be advised that local hospitals, doctor's offices, stores, churches and 55+ communities are slowly receiving vaccines. DOH-Pasco encourages residents to reach out to them as well.

TESTING REMINDER: DOH-Pasco has reduced COVID-19 drive-thru testing to three days per week. Testing will ONLY be provided at Sears in the Gulfview Square Mall on Mondays, Wednesdays and Fridays from 8:00 a.m. to 11:00 a.m. Testing is NOT provided at Saint Leo University.
