PASCO COUNTY, Fla. – The Florida Department of Health in Pasco County (DOH-Pasco), in partnership with Pasco County Emergency Management, Sears at the Gulf View Square Mall and Saint Leo University, continues to provide COVID-19 vaccinations to Florida residents. In an effort to keep the public aware of COVID-19 vaccine distribution, DOH-Pasco will continue to issue updates every week.

DOH-Pasco is asking residents who have been vaccinated at the Gulf View Square Mall or Saint Leo University to share feedback on their experiences at the drive-thru COVID-19 vaccination clinics. The [survey](#) takes about two minutes and will help DOH-Pasco provide the best service possible for clients coming to the drive-thru vaccination clinics.

Per Executive Order 21-47, licensed physicians, APRNs and pharmacists, in addition to hospital providers, may now vaccinate persons under 65 years old whom they deem to be extremely vulnerable to COVID-19. Such physician determinations must include a statement that the patient meets the defined [eligibility criteria](#) and established by a Florida Department of Health [form](#).

Anyone 65 and older who wants to get the COVID-19 vaccination through DOH-Pasco must go to patientportalfl.com or call 1-844-770-8548 and create an account with CDR Maguire: Health & Medical (CDR Maguire). It is required to have an account with CDR Maguire to register for a vaccination appointment. COVID-19 vaccine is also offered at the following pharmacies:

Vaccination appointments for first doses will **open for registration on Sunday, March 7, 2021 at 2:00 p.m.** An appointment is **mandatory** to receive the COVID-19 vaccination. Please be aware that the demand for the COVID-19 vaccine is greater than the supply we have on hand, so appointments for vaccination fill up very quickly.

Drive-thru vaccination clinic dates and locations for the week of March 7 will be held:

- **Monday, Wednesday and Friday from 9:00 a.m. – 3:00 p.m. at Saint Leo University**
- **Tuesday and Thursday from 9:00 a.m. to 5:00 p.m. at Sears, Gulf View Square Mall**

DOH-Pasco will **NOT** be providing **vaccinations** at either location on Saturday, March 13, 2021 or Sunday, March 14, 2021.

It is required to have a photo I.D. when checking in for all vaccination appointments. If the online patient portal was used to register for an appointment (instead of calling), those people should bring a printed or digital copy of the confirmation email they received containing a QR code (please refer to the pictures below).

On March 3, four federally-supported vaccination sites opened in Tampa, Miami, Jacksonville and Orlando. These federally-supported sites are being established as part of a joint mission through the federal and state government to increase vaccine access in or near Duval, Hillsborough, Miami-Dade and Orange counties. Appointments are not required at any of the federally-supported sites. However, individuals who are interested in scheduling an appointment may visit myvaccine.fl.gov. These sites are vaccinating the following populations, as per [Executive Order 21-47](#):

- Long-term care facility residents and staff;
- Persons 65 years of age and older;
- Health care personnel with direct patient contact;
- K-12 school employees 50 years of ages and older;
- Sworn law enforcement officers 50 years of ages and older;
- Firefighters 50 years of age and older; and
- Individuals deemed extremely vulnerable by a licensed physician.

DOH-Pasco is not using myvaccine.fl.gov for vaccination appointments.

COVID-19 vaccine is also offered at the following pharmacies:

- [Publix](#)
 - [Publix Pharmacy COVID-19 Vaccination Locations](#)
- [Winn-Dixie](#)
 - 27301 Wesley Chapel Blvd, Wesley Chapel, FL 33543
 - 1640 US-19, Holiday, FL 34691
- [Walmart](#)
 - 28500 FL-54, Wesley Chapel, FL 33543

SECOND DOSE

If you have an appointment for your second dose, please bring a photo I.D, the vaccination card you were given when you received your first dose, and the QR code with date and time for your second appointment. Anyone who received their first dose of the COVID-19 vaccine through DOH-Pasco 28 days ago or more and has not received or missed an appointment for their second dose, please go to the same location where you received your first dose with your I.D. and vaccination card.

Reminders:

- In order to receive a COVID-19 vaccine, Pasco County residency is not required, but Florida residency is required. (see information below on Florida residency)
- DOH-Pasco staff cannot schedule COVID-19 vaccination appointments.
- There are no vaccines available without appointments.
- At this time, DOH-Pasco does NOT have a waiting list.
- Every person needs their own appointment.
- Create your account at patientportal.fl.com.
- Show up on time for your appointment – please do not arrive early.
- Emails that are sent will be sent from: CDRM Health No-Reply: no-reply@cdrmhealth.com or noreply@salesforce.com (NOT from DOH-Pasco).
- Verify you have a “Vaccine Appointment.” The appointment confirmation will have a **QR code** (picture on the left) **NOT a barcode** (picture on the right).

Vaccine Appointment Confirmation:

CDR HealthPro
Vaccination Appointment Number

843216

Please present this appointment barcode when you arrive at the vaccination site. Do not call us to cancel your or your patient's appointment.

Appointment time
Friday, February 5, 2021 at 1:00 PM - 2:00 PM

125 Main St,
Anytown, FL

NON-VACCINE Appointment

CDR McGuire Account Info

Dear John

If you are interested in receiving a Covid-19 vaccination, log in at patientportal.com and click GET VACCINATED to schedule your appointment.

Please bring your Testing Patient Identifier for Covid-19 TESTING Only

Please present this barcode when you arrive at the testing site.

Do I need to be a resident of Florida to receive the COVID-19 vaccine?

State Surgeon General Scott Rivkees issued a [Public Health Advisory](#) on Jan. 21, 2021, prioritizing vaccines for residents of the State of Florida or individuals in Florida for the purpose of providing health care services involving direct contact with patients: bit.ly/397vhf3.

To prove residency, an adult resident must provide a copy of his or her valid Florida driver's license or a copy of a valid Florida identification card.

Seasonal residents* may provide a copy of two of the following to show proof of residential address:

1. A deed, mortgage, monthly mortgage statement, mortgage payment booklet or residential rental or lease agreement.
2. One proof of residential address from the seasonal resident's* parent, step-parent or legal guardian, or other person with whom the seasonal resident resides and a statement from the person with whom the seasonal resident* resides, stating that the seasonal resident* does reside with him or her.
3. A utility hookup or work order dated within 60 days prior to registration.
4. A utility bill, not more than two months old.
5. Mail from a financial institution, including checking, savings or investment account statements, not more than two months old.
6. Mail from a federal, state, county or municipal government agency, not more than two months old.

*Seasonal resident means; any person who temporarily resides in this state for a period of at least 31 consecutive days in each calendar year, maintains a temporary residence in this state, returns to the state or jurisdiction of his or her residence at least one time during each calendar year, and is registered to vote or pays income tax in another state or jurisdiction.

Please be advised that local hospitals, doctor's offices, stores, churches and 55+ communities are slowly receiving vaccines. DOH-Pasco encourages residents to reach out to them as well.

TESTING REMINDER: DOH-Pasco has reduced COVID-19 drive-thru testing to three days per week. Testing will ONLY be provided at Sears in the Gulf View Square Mall on Mondays, Wednesdays and Fridays from 8:00 a.m. to 11:00 a.m. Testing is NOT provided at Saint Leo University.

For more information on DOH-Pasco's vaccination operations, please visit: [Pasco.FloridaHealth.gov](https://www.pasco.floridahealth.gov).

DOH-Pasco requests, before contacting the health department directly, please visit: [COVID-19 Vaccination Distribution](#).

For questions about second dose vaccination, please visit: [COVID-19 Vaccine Second Dose](#) and for frequently asked questions, please visit: [COVID-19 Vaccination FAQs](#)
