Florida Department of Health in Pasco County
Dietetic Internship

Regional Site and Status Selections Form
WIC Track

The Florida Department of Health in Pasco County Dietetic Internship Program has placement sites in four primary regional county sites in Florida: Miami-Dade, Duval, Palm Beach, or Pasco.

Candidates are asked to identify a specific county of preference. Every effort will be made to honor the request, however placement in a preferred site cannot be guaranteed.

Please identify the county in which you prefer to complete the internship program with the understanding that you may have to relocate to successfully complete the program. Indicate your first through fourth choices (1 - 4). Do not indicate additional choices if you are not willing or not able to consider sites other than your first choice.

_______Duval  _______Miami-Dade  _______Palm Beach  _______Pasco

Note: Selection of regional site is not a guarantee of placement at that location. Placement is at the discretion of the Program Director based on regional availability.

Please indicate whether you prefer full-time or part-time status:

_______Full-time

_______Part-time (Pasco Region only)

For the Class of 2021, interns will have the option to pursue a graduate degree in Nutrition and Dietetics, Professional Studies track, through the University of North Florida (UNF). This requires a separate application to UNF’s graduate program in December 2019 and start of the program in January 2020. Please see the “UNF MS Degree Information Sheet” for more information. If you are accepted in the internship, please indicate below if you will pursue the MS degree offered by UNF during the internship: (please check one)

_______Yes, I will pursue the UNF MS degree in Nutrition during the internship

_______No, I will not pursue the UNF MS degree in Nutrition during the internship
