| **Move More Initiative – Get Healthy Pasco!** | (refer to power point for stats)  
  - Amina went over Move More Pasco (MMP) – the focus for MMP is quality of life, rather than focusing on weight loss etc.  
  - The FDOH in Pasco County has been working on this initiative since November.  
  - MMP hopes to have community partners help promote the initiative.  
  - MMP - visit 5 or more parks you get a prize. *One prize per customer. January 2018 – April 2018.  
  - MMP is looking to partner with local businesses to help expand the initiative as well as wanting to partner with local events to promote the initiative.  
  - Needs are: Supplies (backpacks other giveaways), ideas where to expand the initiative, time, and other resources.  
  - If you are interested in getting involved or attending a Get Healthy Pasco meeting, please contact:

AGENDA

Pasco County Community Health Improvement Plan (CHIP) Reporting:

Health & Wellbeing

- Physical Activity and Nutrition – Pasco County Parks:
  - Parks and Rec is partnering with the schools to have joint use of the school playgrounds in three locations in the county.
  - The goal is to increase physical activity, and to make physical activity more accessible to residents in Pasco County.
  - Currently they Parks and Rec is still working on agreements to be signed and approved with Pasco County Schools, but the master agreement is done.
  - Concerns – opening school grounds to anyone.
  - Fencing will need to be installed.
  - Needs – funding, staff assistance, and buy in from the community.
  - As of right now the parks will be used recreationally, not for sporting events/teams.

- Fun Bites Initiative:
  - The Fun Bites initiative is an initiative to enhance concession stand menus at local youth sports leagues by adding healthier food options at throughout Pasco County.
  - Parks and Rec have made progress – by adding a policy that new or updated agreements will include a statement that each youth sports league will need to include the Fun Bites initiative at their concession stand. Two locations, one on the East Side of the County and one West that have already started making changes. DOH-Pasco will work with those locations to help update their menus as well as help with signage.
  - Barriers – developing buy in from the leagues and the community.
  - Needs – resources, signage and materials.

- Diabetes – FDOH in Pasco County
  - FDOH in Pasco County created a flyer for different locations in Pasco that offer diabetes resource. As well as a Pasco-specific infographic. They can also visit the FDOH Pasco County website: pasco.floridahealth.gov/

## AGENDA

| - Barriers – FDOH Pasco County does not have a diabetes program. We need feedback on what we can do. |
| - Needs – Nutrition Services, education, providing nutrition, getting nutrition, supply, and cost. |
| - It was noted anyone can attend peer coordinator if they are a premier community member. |

### Access to Care

- **Navigation Center – Pasco County Public Services and Coalition for the Homeless of Pasco County**
  - Homeless Coalition has taken the lead.
  - There is officially an ordinance that will no longer allow panhandling and trespassing in Pasco County. You may now report it to the Pasco County Sheriff’s department. If someone is caught panhandling they will receive a citation and then a fine.
  - Currently there are over 100 homeless camps in Pasco County.
  - April 9th is the planning commission meeting.
  - April 23, 2018 is the County Commissioners meeting when the vote takes place for the Navigation Center.
  - United Way has donated $100,000 for the Navigation Center.
  - Homeless Advisory board - to help with the planning of the navigation center.
  - In the process of recruiting a director.
  - This Navigation Center is intended to be one-stop-shop. There will be intensive wrap around services.
  - Pasco Housing Authority has granted them 100 vouchers to start with.
  - County has provided funding for five case managers.
  - Navigation Center will be pet-friendly.
