

Florida Department of Health in Pasco County
Dietetic Internship

Regional Site Selection Form
WIC Track

The Florida Department of Health in Pasco County Dietetic Internship Program has placement available in five primary regional sites in Florida: Duval County, Escambia County (new), Miami-Dade County, Palm Beach County, and Pasco County.

Candidates are asked to identify regional placement by preference using this form. Every effort will be made to honor top choices. **However, placement in a preferred site cannot be guaranteed. Relocation may be required to participate in the internship.**

Candidates should select their first through third choices (1 - 3) with 1 being their top choice and should **only select locations in which they are willing to live during the internship.** If a candidate can only participate in the program from one location, they should select that location as their one and only choice.

_____ Duval County

_____ Escambia County

_____ Miami-Dade County

_____ Palm Beach County

_____ Pasco County

By signing this form, I acknowledge that I have identified my top three choices for regional placement in the internship knowing that my top choice is not guaranteed and that I may be asked to locate to my second or third choice.
