

School Health Requirements For Attendance 2024-25

The school year begins Monday, August 12, 2024. Prepare now!

Have your children seen for an annual physical exam and review their immunizations.

A physical exam, signed and stamped by a licensed provider and dated within one year prior to registration, is required for each student initially entering a Florida school. This is proof that body systems (heart, skin, lungs) were examined.

Up-to-date immunizations are required, and all immunization dates must be on Florida Certificate of Immunization (DH680). Contact your physician, FDOH-Pasco or Premier HealthCare for the form.
