Dietetic internship
Graduate Degree Intent Form**

This form must be completed by all applicants to identify whether you already have a graduate degree or will be earning one during the program.

One of the admission requirements for the Florida Department of Health in Pasco County Dietetic Internship is having a master's degree or higher from a U.S. accredited institution* **or** having a bachelor's degree from a U.S. accredited institution* **and** a signed agreement to complete a student-identified graduate degree by Spring semester of 2028.

Since the program has graduate level designation, we cannot provide a Dietetic Internship Verification Statement of Completion to students without a graduate degree.

For more information on policies related to the student-identified graduate degree, please review the "Student-Identified Graduate Degree" document located in the *Program Information* section of our website.
