

Florida Department of Health in Pasco County
Dietetic Internship

Regional Site Selection Form
WIC Track

The Florida Department of Health in Pasco County Dietetic Internship Program has placement available in the following regional sites in Florida: Escambia County, Miami-Dade County, and Pasco County.

We will not have availability in our Duval or Palm Beach Regions for the 2026-2027 class year (Class of 2027).

Please identify your top choices for placement using this form. Do not rank a location that you are unwilling to relocate to if needed. We will honor top choices to the best of our ability. However, placement in a preferred site cannot be guaranteed. **Candidates selected into the program will be informed of their placement and given a chance to confirm or decline acceptance.**

Please select your first through third choices (1 - 3) with 1 being your top choice. **Only select locations in which you are willing to live during the internship.** If you can only participate in the program from one location, select that location as your one and only choice.

_____ Escambia County

_____ Miami-Dade County

_____ Pasco County

By signing this form, I acknowledge that I have identified my top three choices for regional placement in the internship knowing that my top choice is not guaranteed and that I may be asked to locate to my second or third choice.

Applicant Name: _____

Applicant Signature: _____ Date: _____
